PITTSBURGH AND WESTERN RAILWAY COMPANY FIRST MORTGAGE FOUR PER CENT. GOLD BONDS.

To the Holders of our Certificates of Deposit

for the First Mortgage Four Per Cent. Gold Bonds

of the Pittsburgh and Western Railway Company:

We beg to call the attention of our depositors to the following notice issued by the Baltimore and Ohio Railroad Company and now appearing in the daily papers:

"To the Holders of Pittsburgh and Western Railway Company's First Mortgage Four Per Cent. Gold Bonds, maturing July 1, 1917:

"Under the provisions of the mortgage securing the Company's Pittsburgh, Lake Erie and West Virginia System Refunding Mortgage Gold Bonds, the Company has acquired and deited, as additional security under that mortgage, more than seventy-five per cent. of the Pittsburgh and Western First Mortgage Four Per Cent. Gold Bonds of 1917.

"In order that the remaining holders of said bonds maturing in 1917 may have the opportunity of receiving in exchange for their present bonds the Company's new Pittsburgh, Lake Erie and West Virginia System Refunding Mortgage Four Per Cent. Gold Bonds of 1941, the Company has arranged with Messrs. J. P. Morgan & Co. to exchange said bonds, bond for bond; accrued interest on the respective bonds being adjusted in cash at the date of the ex-

"Holders desiring to make such exchange must surrender their Pittsburgh and Western Rail-Company's First Mortgage Four Per Cent, Gold Bonds of 1917 at the office of Messrs, J. P. Morgan & Co., No. 23 Wali Street, New York, on or before July 1, 1905. Upon such sur-render they will receive in exchange the new Baltimore and Ohio-Pittsburgh, Lake Erie and West Virginia System Refunding Mortgage Gold Bonds, bond for bond, and a cash payment equal to the difference between the interest accrued upon the Pittsburgh and Western Railway Company's First Mortgage Bonds and the Baltimore and Ohio-Pittsburg, Lake Eric and West Virginia System Refunding Mortgage Bonds at the date of exchange.

"The Pittsburgh and Western Railway Company's First Mortgage Bonds so exchanged will be deposited as additional security for the new bonds. "Copies of the mortgage securing the new bonds and any further information desired may

be obtained at the offices of the Company or at the office of Messrs. J. P. Morgan & Co. "BALTIMORE AND OHIO RAILROAD COMPANY.

" By J. V. McNeal, Treasurer.

"Baltimore, June 1, 1905." Under our circular of October 12, 1899, it was provided that in case any plan of reorganization of the Pittsburgh and Western Railway Company should be issued by the Reorganization

Managers of the Baltimore and Ohio Railroad Company, they would give all of our depositors whose bonds should not have been sold to them for cash, an option for at least thirty days after such plan was issued, to take par and interest in cash; or to take the new securities Accordingly, the option is now given to holders of our Certificates of Deposit, for thirty

days from June 1, 1905, to take for their deposited bonds either par and interest in cash, or the new Baltimore and Ohio-Pittsburgh, Lake Erie and West Virginia System Refunding Mort-Fage Four Per Cent. Gold Bonds, of 1941, on the basis stated in the notice above referred to. As provided in our said circular of October 12, 1899, all deposited bonds, the holders of which have not elected to take the new bonds, will, at the expiration of said thirty days, be sold to the Baltimore and Ohio Railroad Company for par and interest in cash.

Holders of our Certificates of Deposit may, at any time prior to July 1, 1905, present their Certificates of Deposit at our office and receive the new bonds, together with the cash payment in adjustment of interest; or if they elect to receive cash in lieu of the new securities, such holders will be entitled to receive par and accrued interest in cash therefor at our office upon surrender of their Certificates of Deposit properly endorsed.

The new bonds are the direct obligation of the Baltimore and Ohio Railroad Company, and should command a wider market than the old Pittsburgh and Western Railway Company's First Mortgage Bonds which you now hold. In our opinion, it is therefore for the interest of the holders of our Certificates of Deposit to exchange their deposited bonds for the new bonds, thus obtaining a high-class investment bond bearing the same rate of interest and having a considerably longer time to run.
